

FOSTER FAMILIES NEEDED

Children and Youth are our greatest resource...

Let's work together to ensure they will be there for us tomorrow,

by being there for them today! As a member of your community, you can offer

your skills and support by working with the Ministry of

Social Services to help children and youth in need of a home. If you have

the interest and the ability to offer your home to children and/or youth,

please contact the Saskatoon office at

(306) 933-6018

Foster Care Program.
