

# #MyVoice: MFRC names, websites and social media need to be standardized

*The challenge is, the MFRCs are not consistent in how they name themselves online, so searching them isn't as easy as it could be. As it is, some are "\_\_\_ MFRC" while others are "Military Family Resource Center \_\_\_\_" .... Some even have put the base initial in [and] some use the name of the CFB or Wing...*

*As another suggestion, some of the MFRCs have bilingual pages, some have only French, some have only English.*

*It's also annoying how some MFRCs run profiles and some run pages.*
