

# #MyVoice Governance Theme Week: Key Themes

Partnership and collaboration are key

- The relationship between Base/Wing Commanders and MFRCs should be one of partnership

Consistency is needed

- Families asked for consistency in communications, welcome packages, emergency childcare options, employment support and mental health support

Keep arm's length relationship

- MFRCs need to retain an "arm's length" relationship from the military to ensure confidentiality and responsiveness to families

Board members should be family members

- Families should comprise the majority of Board members and also make up some of the staff

Need better consistency, communication and outreach

- With regard to MFRC governance, families asked for more consistency, communication and outreach
